VISION & VALUES

For over 40 years, Underground Railroad has been the only provider of emergency shelter and services to victims of domestic violence, sexual assault, stalking and human trafficking in Saginaw County. Our mission is to empower survivors and create a culture of safety and respect in our community.

WITH SURVIVORS

We empower survivors of domestic violence, sexual assault, stalking & human trafficking by removing barriers to safety, and treating all victims with dignity and respect.

IN THE COMMUNITY

We assume the leadership role for eliminating domestic & sexual violence in the community by focusing on prevention through education, resources and training.

SAFETY

Crisis intervention like the 24 hour helpline, 24 hour on-call response, and emergency shelter, provide immediate access to safety.

EMPOWERMENT

Advocacy & counseling connect survivors with community resources. Court support and housing programs help navigate community systems.

CHANGE

Prevention programs in schools, businesses, churches & local organizations seek to educate about and eliminate violence.

ABOUT OUR EVENTS

ADVOCATES FOR CHANGE

*“When I first started talking about my own abuse, I didn’t know there were organizations like Underground Railroad available. I didn’t know that they can help not just the survivors, but family members and friends, understand what the survivor is going through, and provide resources to help them on their healing journey. I believe Underground Railroad has been instrumental in helping survivors. It’s nice to know **this is a community of support.**”*
